## **DEPARTMENT OF COMMERCE** WORKSHOP: 1-2 MARCH, 2023

## **TOPIC: FINANCIAL EDUCATION FOR YOUNG CITIZENS**

Department of commerce at Shivaji College organized a two day workshop on 1<sup>st</sup> and 2<sup>nd</sup> March 2023 on the topic "Financial Education for young citizens". It was held especially for the final year students. It was conducted under the Kona Kona Shiksha program, a program delivered by NISM (National Institute of Securities Market, an initiative by SEBI). Resource person for the same was Ms. Jyoti Kapoor who is a trainer at NISM. Workshop was divided into a total of 8 sessions. First four sessions were covered on the first day and the remaining sessions were spread over the second day. Session one on the topic "Importance of Investment". Financial goals, expense budgeting, and the concept of inflation were a few topics the speaker engaged the participants into. Three pillars of investment- Safety, Liquidity and Return were also discussed. Session two was on Financial Investment Opportunities. A variety of investment options were introduced and deliberate. They were compared on a number of criteria- return potential, volatility of return, liquidity, complexity and few more. Participants were briefed about the features of these securities.

Session three revolved around all the processes and requirements needed while investing into the securities market. There is a need to have three accounts before investing which are a bank account, trading account and a demat account. The process of opening a demat account and required documents were told. Concept of IPV and KYC were also discussed. Apart from this the structure of Indian Securities market and the intermediaries in the market were deeply discoursed. Some of the intermediaries were merchant bankers, underwriters, stock brokers, authorized persons, depository and depository participants. A deep study of the primary market was the topic of the fourth session. Primary market is the place where securities are issued for the first time. Various types of issues in a primary market are public issues, rights issues, bonus issues and private placements. Process of participating in the primary market, ASBA, offer document and price discovery were the major topics in this session.

Session five, began on the second day, the discussion was on investment from primary market to secondary market. In the secondary market securities are traded among the investors. The process of investing was elaborated. Types of orders and post trade settlement process were also discussed. Do's and don'ts for the investors were also briefly talked about.

Session six was an overview regarding mutual funds. Meaning of mutual funds, concept and structure were the first topic of this session. It then proceeded discussing the various types of mutual funds. Direct mutual funds, regular mutual funds, lump-sum investment and SIP are ways of investing into mutual funds. NAV was also discussed. Session seven was all about the precautions to be taken while investing into the securities market. The

major types of risks involved are systematic risk and unsystematic risk. Few ways to mitigate the risk is through portfolio diversification, hedging and going long term. Rights and responsibilities of an investor were informed to the participants. SEBI plays a major role in protecting investors. SCORES is the grievance redressal system of SEBI. It also has an app. All the participants were made aware of all the important topics that are needed to remain a safe investor.

Last session of the workshop, session eight, familiarized the students about all the career opportunities in the securities market. Relationship manager, stock broker, research analyst, investment advisor, fund manager, bank office manager, compliance officer, investment grievances are some of the suitable profiles that can be opted as career options in the securities market.

All the sessions were highly engaging. A quiz was launched at the end of the last session to assess the performance of the participants. Students enthusiastically took part in it. The workshop was concluded by a vote of thanks delivered by Dr. Kiran Chaudhary ma'am who was also the coordinator of the workshop. Workshop turned out to be extremely successful.
